# REF30RCPIXL

# 30" BUILT-IN REFRIGERATOR COLUMN STAINLESS STEEL LEFT SWING DOOR

Preserve the nutrients, texture and taste of all fresh and packaged foods with state-of-the-art sensor managed temperature zones combined with a variable speed compressor.

Enjoy ample and flexible food storage thanks to Bertazzoni's columns design featuring the most usable interior depth in the category.

Ensure optimize food preservation with metal and glass material refrigeration bins, crispers, shelves for scent & aroma neutral storage

Access all temperature and humidity settings through the intuitive digital touch-control interface.

Maintain the correct temperature in the refrigerator when opening the door for reloading, thanks to the unique lateral side-to-side airflow circulation.

Create a truly flush front alignment with the adjacent cabinets and minimal clearance with the exclusive "lift & swing" door hinge.

Customize virtually any column combination suited for your kitchen layout. Single, double, triple and more configurations are possible.

Create a harmonized look throughout the kitchen selecting the handle style that matches your complete Bertazzoni appliances suite. Panel ready models provide the option to mount your own cabinet hardware.

Designed and manufactured with pride in Italy.

Have peace of mind with a standard full 2 years parts & labor warranty and 5 years warranty for the entire sealed system.

# 30" BUILT-IN REFRIGERATOR COLUMN STAINLESS STEEL LEFT SWING DOOR

### PRODUCT DIMENSIONS

#### **ELECTRICAL CONNECTION**

#### **TOP VIEW**

#### FRONT VIEW

A properly-grounded, horizontally-mounted electrical receptacle should be installed according to this drawing.

Connection(s) placement within the opening may require additional cabinet depth.

## **INSTALLATION REQUIREMENTS**

If the appliance(s) is not connected through the side profile trims to secured cabinetry anti-tip brackets must be installed.

# **CUTOUT DIMENSIONS**

**TOP VIEW** 

(635)

(a) Area to be left clear for the anti-tipping brackets – 3"1/2x5" (82x127mm)

A separate circuit breaker servicing only this appliance is recommended.

For installation of multiple products in combination, refer to the Built-in Food Preservation Design Guide at us.bertazzoni.com or ca.bertazzoni.com
