

ROBAM A670- 36" Wall Mount Range Hood

Product Information

Feature

- **NEXT GENERATION RANGE HOOD:** This slanted range hood features a black crystal wide screen over the kitchen exhaust fan – an essential addition to the most contemporary kitchens.

- **POWERFUL MOTOR:** With one touch, the powerful 360 degree fume extractor reaches 430 PA velocity, as the vent hood efficiently removes smoke, oil and cooking smells from kitchen air.
- **CONVENIENT HANDS-OFF OPERATION:** With its infrared technology, you can operate this range hood without ever touching the kitchen fan; just wave to turn on and off the fan, completely hands-free.
- **EASY-TO-MAINTAIN:** A special mesh filter in these range hoods achieves 92% separation of oil and fumes, and the kitchen exhaust fan's oil cup is quick and easy to remove as needed.
- **LET US DO THE INSTALLATION:** We offer professional, installation services (additional charge) in major cities such as San Francisco, Los Angeles, and New York City. Reach out today and see if we are in your area. Hassle-free!
